## KEITH'S QUILL

It is hard not to come off of Easter Sunday without feelings of joy. It is such a busy day, but it is so filled with wonderful things. Mostly for me it is the Joy of knowing that Jesus is with me. There are also the memories of His people filled with expectation and gratitude for all God has done in their lives.

The Sunrise Service seemed especially blessed this year. The program was good, but even better was the many people who came with a sense of excitement and faith. There were lots of people from very far away from Moab that expressed their appreciation for the service. They added so much to it. A big Thank You to the praise team for the music and readings.

The Christian Education Board did a fine job with the children's event Sunday morning too. It seemed like everyone had a great time.

The Mexico Mission Team had a wonderful experience building the house in Juarez for a lovely young couple. The fifteen who went on the trip, report growing together and growing spiritually. It is such a great thing for our church to have a team like this go and represent the Lord and us in such a fine way. They all seem to want to go back as soon as they can and do it again. Thank you to Dwight and Susie Johnston for your vision for this project and your hard work in putting it together. Also I would like to salute everyone who supported the project with your donations and your prayers. The project was a fine Easter blessing for all of us.

As we enter into this spring season we have much to be grateful for and much to do. I sense God working in many lives these days. Sometimes that means going through some hard times and finding God sufficient to meet our needs. At times it is just realizing that we

have drifted from a passionate relationship with the Lord and finding our way back. The responsibility of the church is to shine a light on the path and lead folks to it. We are all on the journey and each of us needs to examine our steps. Are they leading us toward the God whom we love or are they leading away from his presence?

Lets help each other to find the right path. God bless each of you with the Joy and Peace of our Lord. May the Risen One be ever present in every day.

Happy Spring! We have had a great winter with Young Life and are very excited to see what God holds for us in this new season. The last few YL Clubs have had around 35-40 high school students with our Wyldlife Club remaining steady at a great 15-18 MS students. God is amazing us by the students He is bringing and the hearts He is changing. Please be praying for these students that they would be receptive to His Spirit and call on their lives.

Our Discipleship continues to be one-on-one, as well as Bible Study (Campaigners) Sunday nights, Guy's Bible study breakfasts on Friday mornings as well as girls Bible study coffee times on Tuesday mornings. Pray for depth, a desire for intimacy with Jesus as well as spiritual protection for each student. Please also be praying for protection for our leaders as they are being used in breaking down walls and seeing His Kingdom come and Satan does not like that.

YL Camp is on the forefront of our minds with summer right around the corner, and we are working on fundraising as much as possible. One of our biggest fundraiser opportunities is a discount card very similar to that of the football team, but with different business' and with the hopes of selling to tourists. All proceeds from the cards will go directly to sending kids to camp. If you would like to sponsor a student for camp, please let us know! Young Life Camp is June 26-July 2 Wyldlife Camp is August 4-9. Please be praying that God makes the way for the students who need to be there.

Thank You for all your prayers and support! We are so very thankful for you!

The Student Assistance Program Scholarship Applications are due in to the SAP Committee by April 15. This is not only for the graduating High School Seniors who are interested in applying, but also for those already receiving this scholarship. You are required to reapply each year. You can find the application on our Web Site: [www.moabcommunitychurch.com/studentaid](http://www.moabcommunitychurch.com/studentaid) or there are applications available on the SAP Bulletin Board in the foyer of our Education Building.

We are now taking reservations for the church cabin up in the LaSal's. Trustees will be opening it up the first of May. Call the office for availability.

DEEPEST SYMPATHY

Our prayers are with all of Pat Garlett's family. She passed away un-expectantly on March 10th

at her home here in Moab. Her funeral service was held here on March 17th. Pat was an active member of our church family for many years. We loved her deeply and will be greatly missed.
