

KEITH'S QUILL

It is quiet here at the church at the moment. There is often the sound of happy children running and playing across the street. But school is out for the summer. I miss the activity. For a brief time next week we will be inviting the children to our campus for our annual Vacation Bible School. It will be loud and fun again for this exciting week.

This is a major ministry for our church. We have often been able to minister to well over a hundred children and many young helpers that will come together for the week. Many of these young people will make decisions to accept Jesus into their lives. We never know how dramatically this will impact them for the rest of their lives but we believe that it will. I want to thank all those that have been working on getting the program ready to go and to all those who will volunteer to work with the children during the week. It takes an

amazing amount of people to staff the school.

I would like to give a special thanks to Tammy Thayne, our Director, who puts the program together each year and recruits the many workers. Also, Mike Diem has been working on the scenery and backdrops for the staging. This takes a lot of time and energy. I want to single him out for special recognition. Thanks Mike!

There is one thing that is quite apparent each year and that is we have many faithful people who make Vacation Bible School a success. So whatever you do from supplying food for the snack, to teaching a class, to working as a helper, or in doing registration, I wish to thank you. And certainly please remember to pray. You are all making a real difference in the lives of children.

It is apparent to me that God is at work in our community. Satan attacks and God faithfully protects and intervenes. This is a common pattern and has been throughout time. I just wish to testify of the faithfulness of God. He never fails us. We will let Him down on occasion and our faith may waver when we see the opposition building around us. Let's remember that God is able. Cast your lot with him and you will not be ashamed.

Here's wishing you a wonderful summer! Spend lots of time with your family and friends. Enjoy the great place that God has given us to live. And certainly remember to gather together as Christ's Church.

Love to each of you.

Community Church's VACATION BIBLE SCHOOL

June 6-10, 2016

9:00 a.m. - 11:30 a.m.

If you haven't pre-registered your children, just arrive here at the church Monday morning, June 6th @ 8:30. a.m. We will register your child/children then. There is NO charge, for VBS. We just look forward to sharing this action packed week with children age 4-4th grade.

Hi! And Blessings to All!!

Young Life finished up the school year strong and we are so excited to see what the summer holds. We currently have both of our camp trips full (16 high school and 14 middle school students).

We are plowing ahead with the Golf Tournament and our summer BBQ's at Swanny Park start next week, June 6th. @ 6:00 p.m. It is with the BBQ's in mind that we are writing to ask if you or some-

one from your church would be willing to provide burgers, hotdogs and fixings, for one or two of the Monday BBQ's. Most of you know what it is that we do, but just a reminder, is that every Monday during the summer, we have volunteers cook up some burgers and hotdogs and then we invite any middle school or high school students to come eat some food and get to know their Young Life Leaders. It has been a wonderful experience each year and the students look forward to it each week. This is a great way to meet new students and keep the momentum going throughout the summer. By having volunteers cook the food, it frees up the Leaders to get out and mingle with the students. If you would like to help, please let us know ASAP and we will get you set up

with a date to cook.

This year, we have access to buy bulk burgers and so if you would like to help with that purchase, that would be amazing, otherwise we just ask that you and your church provide burgers and hotdogs for about 40 on the days you are going to be cooking.

If you have any questions or would like more info, please call Sarah or myself. Thanks so much for helping make the BBQ's a huge success the last couple of years and we look forward to seeking all the kids out there this summer.

Thanks and God Bless!
