

Keith's Quill

There are so many topics that I have running through my head as I start this article that I am probably in danger of sounding completely scattered brained. Allow me to begin with a big **thank you** to each of you who shared the grief with me at the death of my mother. A person, even in my position, doesn't actually understand the way having people demonstrate caring during a loss is so healing. All the cards and expressions of love were all used to help and I want you each to know that I have appreciated those gestures and all of you. Mom is where she has wanted to be for a long time; with dad and with Jesus. This hope we have is so comforting.

Vacation Bible School is also on my mind as I write this. Tammy Thayn does such a wonderful job pulling this event together. Thank her when you see her. We anticipate

a large group of children again this year and that God will meet with us and influence many over this week of fun and study. Please be praying as the Bible school week progresses and young people are challenged to follow Jesus. Also pray for the sixty plus volunteers that will be helping with the week. Pray specifically that they will have energy and the leading of the Lord as they interact with their groups. Thank you each one that have a part and each of you that are sending your children to the school.

My son Kelly and his wife Amy visited with us last weekend and Kelly preached at the worship time on Sunday. We are excited that they are called of God to minister in the Salt Lake area and be working with an exciting church there. As you are praying remember them as they continue to seek the Lord and for Kelly as he continues his

education. He has started an online Master's of Divinity Degree through Liberty University.

And finally it was Dianne's birthday on the 29th. She enjoyed all the attention that she certainly deserves getting the last few days. She is a blessing to me and she has been a blessing to this church for many, many years. Pray that she will continue to have the call of God upon her life to serve.

Summer is finally here now, I believe. Days will get hot and the rains will probably disappear for a few months. These are the days God has made. Let us rejoice and be glad in them. And let us serve Him with renewed love and adoration. God is good all the time and all the time God is good.

- We have two new **Connections** opportunities starting up. First one is for children in 2nd - 6th grades. This **Connections** group will be meeting every other week with a different activity each time. Their first gathering will be Tuesday, June 9th, at Swanny Park from 1:00 to 3:00. Each child will need to

bring \$2.00 to swim. For more information contact Jamie Carter @ 260-8466 or Karisa Larsen @ 260-0414. The other Connections is a Young Couples Bible Study to start up in July. Continue to follow our weekly Bulletins for more information.

- We are starting a **NEW** Children's Church Curriculum this Sunday, June 5th. It is called, "**The Story**". Your children will be introduced to some of the most pivotal events and characters in the Bible. Each story is presented with easy-to-read text and simple reflection to help children remember what they learned. They will be sent home with their activity pages as well as a "**parents page**" so you parents can remind them all week of the Bible story they

heard. Both the Preschoolers and Early Elementary classes will be given **Trading Cards**. These are perfect for reinforcing the Bible stories shared and the children will enjoy having all thirty-one cards to help them memorize Scripture and learn important facts about the Bible. Please help them to save the cards so they can eventually collect all 31 cards. It's a fun activity for the children attending. (We can always use Children's Church teachers, if interested, please contact the church office.)
