KEITH'S QUILL

This article is dedicated to all of you that do so much for our church. It is actually very difficult to name everyone that is making significant contributions. Many are what might be called up-front people. They are on the stage and in plain sight. We couldn't function without them. You know their names and have opportunities to thank them for all they do for us. I hope you take the opportunity and do so.

Then there are all the behind the scenes folks that you don't see. **But I do.** There are lots of them too. Often you see their work, but you don't see them do it. Sometimes it will be a report they have turned in that keeps us informed of our financial condition or plans that we are making to do ministry. Other times it is a Communion Service prepared and then put away. Another person cleans our church. Another takes care of our Nursery. Some of the people are paid to do what they do, but

most simply do it because they wish to serve the Lord and His church. You see the children disappear mid-service, but you may not see the people who accompany them to their classes and teach them the Bible stories that make them wise unto salvation. We get to enjoy the programs, but we seldom see or know the people who are planning them and making them happen.

Then there is one group of folks that I want to lift up today that are constantly making a big difference for all of us. That is our Trustee Board. When you come to church on a Sunday they have already been here hours before cleaning up all the leaves and limbs and needles from the sidewalks. They have fixed a few things so that we can use them. They have pulled weeds and cleaned flower-beds and changed light bulbs so we can enjoy our church. And if they haven't done it, it is noticeable to all. But they do a great job. This last week three of

them; Mac, Steve and Mark worked to clean up the north side of the church that had been blackened by some sort of mold or mildew. It looked bad. Now it looks great. Mark spent hours holding on to a power washer way up high on a lift getting this big job done. Then of course, he was back on Sunday handing out bulletins at the back of the church. I am including a picture of the job, on P. 4, in this newsletter so you can get an idea of what was involved in this chore. While that was going on they cleaned up flower-beds and sidewalks and who knows what else. The members of the Trustee Board this year are: Mark Curnutte, Linda Warren, Josh Green, Jim Hofmann, Mac McLean, Stephanie Haycock and Steve Gilbertson. Thank them when you see them. God bless all of you that serve. No good deed goes unnoticed by our gracious God.

**Invite a friend or two to
come with you.**

School has started and with that we also are getting busier with Clubs, Bible Studies, etc. We are so very excited to see what God is going to do this year in the lives of students! The students that are attending desperately need Jesus and His love and compassion.

PRAYER REQUESTS:

Needing more leaders and folks to disciple. We have so many students who need discipleship and one-on-one time...simply someone to pursue them as Jesus does each one of us. Pray for people to step up, in whatever capacity that may be. Pray about stepping up yourself! It doesn't matter your age, if you feel the Holy Spirit's tug on your heart, please don't ignore Him. Each one of us connects

with different students, you may connect with someone whom we could never reach.

COMMUNITY CHURCH NEWS

The Church Cabin is available to our church families. We only have the month of September left to use it, then we will be closing it down for the winter. Call the church office to reserve your dates. The Aspen Trees are gorgeous up there mid September.

Be watching upcoming weekly bulletins for an October date for a Sunday afternoon Jet Boat Trip on the Colorado River. Plans are just now in the works for date and cost of this fun trip with Canyonlands By Night. There will be a sign-up sheet available in a couple of weeks.

Pictured here is Mark Curnutte power washing the North side of the Sanctuary on August 25-26. Pretty amazing transformation!
