

## Keith's Quill

This month we will join with 30,000 other churches for the *National Back to Church Sunday*. This campaign will bring over one million people back to church. I hope that we can get a few of them. September is a great time to make a commitment to get back to your church. It has been a good summer here at Community Church, but we have missed some of you! Last year at the NBCS we had a great event and actually went over our attendance average by 35 people. I am praying and trusting that this year we can beat our average by 50. That would put us pretty close to 200 in attendance. We do have over 250 people who are active church

attenders, so that number is very doable. And wouldn't it be a great time. So would you set aside September 20<sup>th</sup> as a Must Attend Sunday? There will be some special things planned for the day but the most special would be having each of you here to celebrate our church and the Lord of the Church, our savior Jesus Christ. If you have children they will enjoy having large Bible classes that day during the worship time. And after worship we will meet in the fellowship hall for a wonderful party to close off the day. You may not know it, but people who go to church live longer, healthier and happier lives than those who don't. But the

best thing is that we can give a full church to our God as a gift on this day. Oh, and by the way, this is a wonderful time to invite a friend to come with you. You may know someone that you have been wishing to invite and this is a great opportunity to have folks join us. Just let them know that we are having a special celebration and everyone is invited to come and join with us. One study shows that 78% of the American people don't attend any church? And the majority of those non-attenders have never been asked to come. God bless your Fall as we head toward cooler weather and for sure the best time of the year to live in Moab. PK

**Sept. 20: John & Jacque Knowles**

**Sept. 27: Randy Edmonson and DeAnne Edmonson**

What comes to mind when you hear the word "church"? Grumpy, judgmental people? Sorry about that. And, if you'd let us, we'd like a chance to change that and show you what church is really about: **Jesus**. And the hope He brings. September 20 is *National Back to Church Sunday*, and all of us at Community Church invite you to be our guest for a special service at 10:00 a.m. Everyone is welcome—just come and check things out. A time of Fellowship will follow.

This is going to be one very special event coming up on Tuesday, September 29th at Star Hall. Mark Humble is a gifted pianist/soloist from Texas, who will be leading an Old Fashion Hymn Sing at Star Hall. If you have ever watched any of Bill & Gloria Gather's Homecoming Videos, well this will be a lot like it. Mark is also needing about 20 people to sit on stage with him to be his "choir". If interested, please contact Pastor Don at First Baptist Church @720-391-8090 or contact Dianne here at our church office. Invite your many friends as we would love to see Star Hall filled to capacity!
